(The following information is from an interview with Lt. Col. Kevin T. McShaney).. It's nice to know that you can always go back and enjoy some of your favorite tunes from your childhood, even if you haven't seen those records in decades. In the mid-1920s, with the onset of the Great Depression, the country suffered staggering economic hardship. One way of alleviating the pain was to sell food and farm products to families who couldn't afford to eat. But that approach went against many moral teachings, and it wasn't well received in the country. "The Great Depression was a time when every man on earth, on the land, in the city, at the hospital, at all times, had a right to a cup of cool milk," wrote William Godwin in a letter to his sister, Emily Moulton Howe in 1918. "If there was ever a time that should be closed to the use of milk in producing food it is now."
